August 2017

Cancer Support Community Eastern North Carolina (CSCENC) is planning our first annual Run for the Ribbons 5k Race and 1 Mile Walk on Sunday, October 1, 2017, in Greenville, North Carolina.

The Run for the Ribbons 5k Race will help enable CSCENC to open its clubhouse door in 2018. This facility will provide a welcoming, homelike atmosphere and support programs for all those living with cancer, including family members and friends. As it does in 65 other locations throughout the country, our Cancer Support Community will ensure that people in Eastern North Carolina impacted by cancer are empowered by knowledge, strengthened by action, and sustained by community. Our evidenced-based programs and services are all provided at no cost to those touched by cancer.

We would greatly appreciate your support as a contributing sponsor of this event. With a donation of \$250.00 or more, your business name and logo will appear on the race registration website and the long sleeve t-shirts that each participant will receive.

Please make your check payable to CSCENC and mail donations to the following address:

**Cancer Support Community

You may email business logo information to runfortheribbonsenc@gmail.com

With your help, we will continue our mission. "...because no one has to face cancer alone."

All the best.
